

Nursery News - Week commencing 19/04/2021

Messy Play/Independent Learning Indoors

This term our topic is 'What's in the Garden', so we have been exploring the garden and looking at different bugs we may find.

We have been working on all letter sounds and matching them to all our friend's names in Nursery.

Some of the children have been using shape wands to match object in their environment.

Parent Notices

If your child is going to start school at East Hoathly in September 2021, please complete your admissions form by Friday 30th April and hand them in to either Dawn or the School Office.

Miss Lewis' Story Time

This week, Miss Lewis and Jack the (puppet) dog visited Nursery to introduce our new theme of Friendship. We read a story about a poorly man who had 4 fantastic friends - they took him to see Jesus and Jesus was able to make him better. We all said together 'it was a miracle!'. The children really enjoyed acting out parts of the story - including showing all the ways that the 4 friends helped the poorly man, like brushing his hair and cleaning his teeth.

After our story, the children were fantastic at giving ideas as to how they could be good friends to others.

Leo said 'I will share with my friends.'
Edith said 'I will look after my friends if they get hurt.'

Sami said 'I will play with my friend Paige.'

We finished our story worship with a song and prayer. We sing this each week to the tune of 'Twinkle Twinkle Little Star':

*We know God is always there,
Now it's time to say a prayer
Stretch your hands, give them a clap
Place them gently in your lap.
We know God is always there,
Now it's time to say a prayer.*
